Disclaimers

Due to printing limitations there may be variations between the colours of the actual flooring and images shown in this document. The technical information contained in this brochure is subject to change at any time due to products being subject to continuous improvement processes. Please check latest technical information on our websites www.gerflor.co.uk & www.gradus.com or with a sales advisor prior to ordering.

Gerflor & Gradus – The Hospitality Specialists

With over 100 years combined experience, Gerflor & Gradus have forged an unrivalled reputation for quality, design and service. Now, we extend our expertise to the hospitality sector, offering a complete range of flooring and interior solutions.

Gerflor Group: Flooring Excellence

As a trusted supplier, Gerflor specialises in resilient flooring solutions which are ideal for hospitality spaces. Our products meet the stringent requirements of slip resistance, durability and acoustic performance. Whether it's a hotel lobby, trendy bar, or bustling restaurant, we have flooring options to enhance both aesthetics and functionality.

Gradus: Luxury Interior Solutions

Gradus, a UK manufacturer, provides a wide range of contract interior solutions. From LED Lighting to barrier matting, stair edgings, floor trims and wall protection, we've got you covered. Our commitment to quality extends from initial concept to finished products, including specialised CAD design and precision tooling. Plus, our project management and installation services ensure a seamless experience for your hospitality space.

Explore our offerings and create an inviting atmosphere.

Key considerations required to deliver a successful hospitality project...

Aesthetics

Offering a wide range of design driven products for all areas of hospitality surroundings that are perfect for creating an inspiring, relaxing and unique space. Choose from a large range of designs, colours and finishes across all our products.

Ambiance

Create limitless possibilities to effortlessly balance aesthetics, mood, function and ambiance with Gerflor & Gradus products. To make a statement, Gradus' versatile LED Lighting products can be utilised to make a statement, enhance focal points or create subtle accents.

Durability & Cleanability

Busy environments with frequent movement of foot and wheeled traffic require robust and easy to clean & maintain flooring and flooring accessories. To address this, Gerflor & Gradus products are made from high-quality, durable materials. Gerflor's patented surface treatments facilitate quick and easy cleaning.

Personalisation

When creating unique interiors, Gerflor & Gradus provide a range of products with a bespoke design. Gerflor's MyFloor and Gradus' SureProtect Artworx wall cladding offers the opportunity to print your own design, offering the opportunity to create your own custom interiors.

Safety

According to the Health & Safety Executive (HSE), slips and trips account for over a third of all major injuries in the workplace. Gerflor flooring has been developed to offer excellent slip resistance and Gradus' uniquely designed XT stair edgings play a crucial role in preventing slips, trips and falls on stairs.

Sustainability

Gerflor & Gradus offer a range of environmentally friendly flooring, wall covering and flooring accessory solutions that incorporate recycled materials. These products are also long lasting, low to maintain and recyclable at the end of their life. These products and sustainable initiatives play a crucial role in supporting the transition towards a net-zero UK.

Gerflor and Gradus Services

Technical and Specification Support Specialists

Our dedicated hospitality specialists can assist you with all your specification needs. Whether it's a refurbishment project or new build, we have the expertise and innovations to create your ideal interior scheme. We work together to propose the optimum solution for the clients' needs, utilising the most appropriate safe, durable and sustainable solutions for the specific applications. We don't stop at just providing specification advice, we can also provide a free site survey where we will visit, assess and audit the facility and make suggestions on improvements to future proof the building interiors.

The Technical Support team is available to offer advice on the specification and installation of products, including guidance surrounding the latest building standards and legislation. Be rest assured that Gerflor & Gradus have a world-class pedigree of products that are tried and trusted to deliver every time. All backed up by a network of technical, specification and customer support teams.

Sampling Support Services

We offer a free sample service for all our clients from product overview binders, loose samples to supporting literature. For something bespoke like mood boards or test material, contact us and we will aim to supply the sample for your required need. To request a sample, literature, or anything else call 01625 428922 or email contractuk@gerflor.com or imail@gradus.com.

Local stock

We stock our best-selling product ranges locally in the UK. Our warehousing and distribution facilities in Winsford and Macclesfield offer a broad range of in-depth stock to provide an enhanced service level. Essential when time is of the essence and our customers need innovative products and fast delivery for essential quick turnaround projects. Speak to our hospitality specialists for stock availability or further information.

Specification Documents and BIM Objects

NBS provides access to a single source of product information and BIM objects for Gerflor & Gradus products. NBS Source provides an additional level of enhanced product data in a consistent, structured format that will integrate seamlessly into your project workflow.

Hospitality Lunch & Learn Sessions

Our hospitality specification experts are available to help with developing knowledge surrounding Flooring, Barrier Matting, Wall Protection, LED Lighting, Stair Edgings and Floor Trims.

For something less formal than a traditional CPD, a Lunch & Learn session with our hospitality specialists can be arranged at a time and date to suit you and people can drop in as they wish to discuss our products generally or address specific project requirements.

To book a Lunch & Learn session, contact our Technical Support team on 01625 428922, email contractuk@gerflor.com or imail@gradus.com

CPD's and Training

As members of RIBA CPD Providers Network, we offer a full range of RIBA assessed and approved CPD seminars covering: Vinyl Flooring, Sports Flooring, Matting, Wall Protection, Stair Edgings and industry specific CPD's such as Healthcare and Industry.

To book a CPD Seminar, contact our Technical Support team on 01625 428922, email: contractuk@gerflor.com or imail@gradus.com

Accreditations and Certifications

Gerflor

Gradus

Complete Hospitality Solutions Map

Gerflor & Gradus' comprehensive product offerings are hygienic, safe, aesthetic and suitable for all areas of hospitality.

Entrance & Reception Areas

Gerflor & Gradus enhance receptions and entrances to hotels, restaurants and bars with stylish and durable floor and wall finishes to create a welcoming and impressive space for guests and customers. Barrier Matting, Flooring, and Wall Coverings offer practical solutions in a wide range of designs, while LED Lighting adds ambiance.

Barrier Matting – Esplanade 5000/6000

Absorbs dirt and moisture in medium to heavy levels of foot and wheeled traffic. Available in a range of colours and premium finishes to complement any interior scheme.

Innovation, Service & Design

Bespoke Floor and Wall Solutions

Gerflor & Gradus offer bespoke floor and wall solutions for truly custom interiors that exceed expectations. Gerflor provides a unique flooring customisation service called MyFloor. With this exclusive offering, you can personalise your floors for a distinctive look. MyFloor includes MyTaralay vinyl flooring and MyCreation LVT flooring, allowing you to customise the floors in different ways from changing the colour of an existing design to using a completely original design. Gradus offers an innovative bespoke wall cladding service by printing custom designs and images onto PVC-u sheets to showcase a particular brand or complement a specific design scheme. Together, Gerflor & Gradus can offer tailor-made floor and wall solutions for a complete individual solution.

Floor Plan Design Service

For projects, Gerflor & Gradus offer a free floor plan design service to provide a bespoke design scheme that falls within your specific budget. Utilising your CAD drawings, our in-house Creative Design Team will provide a floor plan that shows a coordinated floor scheme using a combination of products from Gerflor & Gradus' portfolio such as Carpets, LVT, Resilient Flooring, Safety Flooring, Barrier Matting, Wall Protection, LED Lighting and Stair Edgings. The floor plan aims to offer solutions that are the most suitable product for the specific areas in terms of the latest guidance as well as aesthetics, performance, and durability.

Supply & Fit

Gradus' supply and fit service provides a comprehensive solution in hospitality spaces. The service includes the supply and installation of LED Lighting and Wall Protection Systems. The products come in various materials, finishes, and colours, allowing for customisation to suit any interior design scheme. With a team of experienced installers, Gradus ensures products are fitted to the highest standards, providing maximum protection and a seamless finish. The expert advice and guidance supports customers to choose the right products for their specific needs, ensuring compliance with safety requirements and building regulations.

FUNDAMENTALS

A FUSION OF PRODUCTS & VALUES

Gerflor and Gradus offer products which are ideal for use in a wide variety of applications including healthcare, commercial office, education, retail, hospitality & leisure and housing. Products can be combined to provide a complete package that balances performance, aesthetics and cost alongside environmentally responsible manufacturing processes.

A FRESH APPROACH

We believe passionately in providing the customer with the very best in terms of service. Through our combined team we can offer expert advice to help with product selection backed up with extensive UK stocks to ensure our products are delivered on-time, every-time.

[View the video...](#)

Gerflor teams have always considered customers and the environment as their absolute priorities. Our floor coverings, wall solutions and finishing components are user friendly, sustainable solutions. They are designed with respect for our planet to last as long as possible with proposed end-of-life options. From product design through to end-of-life, the circular economy is a core priority for the group. We have set out key commitments to guide our environmental management up to 2025. To view Gerflor's CSR report - [click here](#)

GRADUS

At Gradus, we care deeply about our planet and our role in its future. We are committed to reducing our environmental footprint and enhancing our positive impact. By 2025, we aim to achieve ambitious targets which include reducing carbon emissions, wastage and usage. We are also committed to boosting recycling and moving into green energy. In addition we are working with local communities by giving back to society and local causes. To view Gradus' CSR report - [click here](#)

Head Office:

Park Green,
